MARINELAND'S IN MOTION DOWN BY THE OCEAN

SPARKLING NE

N SEA SHOWS

Ever been splashed by seven tons of whale? Ever touch the smooth skin of a playful dolphin? Your day at Hanna-Barbera's Marineland will give you scores of unique new experiences to share and long remember.

You'll see the world's largest team of performing killer whales in awesome action. You'll flip over Flipper and his dolphin friends. And you've never laughed at performing sea lions quite as crazy as ours.

In "Passages Beneath the Sea" you'll be nose-to-nose with many of the ocean's most fascinating — and sometimes dangerous — creatures. And kids will have a great time with their Hanna-Barbera favorites. They can hug Yogi Bear, say hi to Scooby-Doo, shake hands with Fred Flintstone — and so can you!

NEW BAJA REEF

There's nothing like it at any other theme park in America! You snorkel your way through a magnificent underwater paradise, alive with schools of ocean fish such as bass, Garibaldi, perch and sheepshead, while family and friends watch from walkways above or through

underwater windows below. Baja Reef is like the sea itself — but you're in a protected environment where the water is kept comfortably heated.

We provide everything you need — sanitized bathing suit, U.S. Divers wet suit, mask, snorkel and fins. All you have to bring is your spirit of adventure. To cover the cost of required swimwear and equipment, there is an extra charge for each participant. Participation is limited.
